Daniel:

Comments:

Assessment 1900-55:

1. The Giglin Marlin Receipt does not indicate what exactly the purchase was. It just gives a code. Can we identify what this was in a box on the receipt?

2. There is no comment for Sam Cheek. Can we put a comment in there?

Removal 1900-55:

1. Derrick should be charged at your rate for the week he sit in for you. I actually discussed this with Ceci when we talked on a different matter. She indicated that since Derrick was asked to sit in for you as a Weston decision that this would be appropriate. Also, I can't say it enough how much I appreciate all the work you have done to assist me on this project. I appreciate the professionalism and work ethic.

Thanks
